

## Magnesium 400 mg Capsules

Nutritional supplement  
1 capsule daily!

### Useful information:

Magnesium is an essential mineral that is mostly found in the bones, muscle cells and blood. In the human body magnesium performs many different important functions.

It is, for example, needed for

- Magnesium supports a normal muscle function, especially in sports and physical activity and promotes the well-being - also at night -, helps muscles and calf muscles to relax and loosen up,
- helps maintain strong, healthy bones and teeth,
- contributes to a healthy energy metabolism and to a decrease of fatigue and exhaustion
- and a normal function of the nervous system and the psyche.

**Each capsule contains** 670 mg of magnesium oxide which equals 400 mg of pure magnesium.

**Ingredients:** Magnesium Oxide, Gelatin, anti-caking agent Magnesium Stearate.

|           | per capsule<br>(= daily dose) | % of the recommended<br>daily requirement (NRV)* | per 100 g<br>capsules |
|-----------|-------------------------------|--|-----------------------|
| Magnesium | 400 mg                        | 107 %  | 52 g                  |
