

## Devil's claw capsules

Dietary supplement

### Good to know:

Devil's claw (*Harpagophytum procumbens*), which is named after the striking appearance of its fruit, is indigenous to the savannahs of South Africa. Its beneficial, soothing properties are contained in its roots.

If taken regularly over a longer period, Herbafit's Devil's claw capsules provide an expedient supplement to therapeutic exercise.

Each capsule contains 225 mg devil's claw root dry extract.

### Ingredients:

Devil's claw root dry extract (4.4-5.0:1) (*Harpagophytum procumbens*) (51 %), gelatine, filler **lactose**, separating agent magnesium stearate, filler silicon dioxide.

	per capsule	per daily dose (=2 capsules)	per 100 g capsules
Devil's Claw Root Dry Extract	225 mg	450 mg	51 g

No nutrient reference value for the daily intake according to VO (EU) No. 1169/2011 has yet been established.

### Recommended use:

Swallow each day 1-2 capsules at mealtimes with sufficient of liquid.

Keep out of direct sunlight. Store dry and not above 25°C.

Food supplements should not be used as a substitute for a varied and balanced diet and do not replace a healthy lifestyle. Keep out of the reach of small children. The recommended daily dose should not be exceeded.

**Contents 180 capsules = 78 g**
