

MSM 500 Capsules

Nutrition supplement

Good to know:

MSM (Methylsulfonylmethan) is a naturally produced organic sulfur compound that occurs naturally in plants, all vertebrates and also in the human body.

Ingredients:

Methylsulfonylmethan (74 %), Gelatin, filler Corn Starch, separating agent Magnesium Stearate.

Each capsule contains 500 mg pure Methylsulfonylmethan (MSM).

Recommended use:

1-4 capsules should be taken three times per day as required with plenty of liquid.

	per capsule	per daily dose (=12 capsules)	per 100 g capsules
Methylsulfonylmethan (MSM)	500 mg	6000 mg	74 g

No nutrient reference value for the daily intake according to VO (EU) No. 1169/2011 has yet been established

Keep out of direct sunlight. Store dry and not above 25°C.

Food supplements should not be used as a substitute for a varied and balanced diet and do not replace a healthy lifestyle. Keep out of the reach of young children. The recommended daily dose should not be exceeded.

Contents 250 capsules = 167 g

Art. No. 9270
