

Feverfew Tablets

Nutritional supplement

Useful information:

Supplement your daily diet with the valuable plant components of feverfew and magnesium. Magnesium performs numerous vital functions in the body. Especially for the electrolyte balance - the balance between muscle contraction and relaxation - Magnesium is essential. In addition, magnesium contributes to a normal function of the nervous system and a reduction of tiredness and fatigue.

Ingredients: Feverfew Powder (56%), Magnesium Carbonate, Microcrystalline Cellulose (filler).

	per tablet	per daily dose (=6 tablets)	% of the daily intake according to NRV*	per 100 g tablets
