

Green Lipped Mussel Concentrate Capsules

Nutritional supplement

Good to know:

New Zealand green lipped mussels (*Perna canaliculus*) contain glycosaminoglycans (GAG), found in human connective tissue, joint cartilage and synovial fluid.

Ingredients:

Green Lipped Mussel Coczentrate (83 %), Gelatin, separating agent Magnesium Stearate.

Each capsule contains 500 mg New Zealand green lipped mussel concentrate with 2.4 % glycosaminoglycans.

	per capsule	per daily dose (=3 capsules)
Green Lipped Mussel Concentrate	500 mg	1500 mg
Glycosaminoglycans	12 mg	36 mg

No nutrient reference value for the daily intake according to VO (EU) No. 1169/2011 has yet been established.

Recommended dose:

Swallow 2-3 tablets per day with sufficient liquid.

Keep out of direct sunlight. Store dry and not above 25°C.

Food supplements should not be used as a substitute for a varied and balanced diet and do not replace a healthy lifestyle. Keep out of the reach of young children. The recommended daily dose should not be exceeded.

Contents 300 capsules = 178 g

Art.-no.: 9150
