

Coenzyme Q10 100 mg Capsules

Nutritional supplement

Good to know:

Coenzyme Q10 is one of the body's own substances belonging to the group of vitaminoids, therefore substances similar to vitamins, and is an important part of our daily nutrition. Q10 is primarily found in the heart, liver and kidneys in the human organism. In a healthy human organism the necessary amount of Q10 is ensured by endogenous synthesis. Extra Q10 intake is particularly recommended with increasing age and if the diet is not well-balanced.

Each capsule contains 100 mg of high purity, natural Q10.

Ingredients: Corn Starch, Coenzyme Q10 (26%), Gelatin, separating agent Magnesium Stearate.

	per capsule	per daily dose (=2 capsules)
Coenzyme Q10	100 g	200 mg

No nutrient reference value for the daily intake according to VO (EU) No. 1169/2011 has yet been established.

Recommended dose:

Swallow 1-2 capsules per day with sufficient liquid before meals.

Not suitable for pregnant women, nursing mothers, children and adolescents under the age of 17. People taking bloodthinning medication (anticoagulants) should consult their doctor before consuming this product.
