

Lycopene 10 mg Capsules

Nutritional supplement

Valuable information:

Lycopene, also called leucopin, belongs to the class of carotenoids. In high concentrations, lycopene is found in tomatoes, which give it its characteristic red colour. In the field of nutrition, lycopene is increasingly attracting attention due to various trials over the past few years. The added vitamin E helps protect cells against oxidative stress.

Each capsule contains 10 mg of lycopene.

Ingredients: Lineseed Oil, Sunflower Oil (filler); Gelatin, Glycerin (humectant), Vitamin E, Lycopene (1,5 %), Iron Oxide (colorant).

	per capsule (= daily dose)	% of NRV recommended daily dose*	per 100 g capsules
Lycopene	10 mg	**	1.5 g
Natural Vitamin E (alpha-TE)	24 mg (36 I.U.)	200	3.5 g

*NRV = Nutrient Reference Value for daily consumption according to Regulation (EU) No. 1169/2011

** no reference value available yet

Recommended dose: swallow 1 capsule per day with sufficient liquid.

Keep dry and out of direct sunlight. Store below 25°C.

Nutritional supplements should not be used as a replacement for a balanced, varied diet, and do not replace a healthy lifestyle. Keep out of reach of young children. Do not exceed the recommended daily dose.

Contents 90 capsules = 60 g
