

Cod Liver Oil Capsules 1000 mg

Nutritional supplement with vitamins A and D

Good to know: Cod liver oil offers many advantages for your health. In addition to plenty of vitamin A and vitamin D, cod liver oil also contains polyunsaturated fatty acids. The substitution of saturated fatty acids with polyunsaturated fatty acids in the diet supports the maintenance of normal cholesterol levels in the blood.

Vitamin A is of great significance for the skin and mucosa, for retaining good vision, for the iron metabolism and for a healthy, vigorous immune system. **Vitamin D** contributes towards the build-up of calcium and phosphorous deposits in bone tissue, and can thus assist in the structure and preservation of sturdy, healthy bones and teeth.

Each capsule contains 1000 mg cod liver oil with 800 - 1200 IU vitamin A und 80 - 120 IU vitamin D3.

Ingredients: Cod Liver Oil (74 %), Gelatine, Glycerine (humectant).

	per capsule	per daily dose (3 capsules)	% of NRV recommended daily dose*	per 100 g capsules
Cod Liver Oil	1000 mg	3000 mg	**	74 g
