

Vitamin C 1.000 mg retard tablets

Food supplement

Good to know:

Each tablet contains 1000 mg vitamin C in a special tablet development. This slowly releases vitamin C over a period of six to eight hours and supplies the body with the optimum amount of vitamin C over a longer period to support the body's own defences and to protect the cells and tissue against oxidative stress.

Ingredients:

Vitamin C, Microcrystalline Cellulose, Hydroxypropylmethylcellulose (bulking agent), Magnesium Stearate, Silicon Dioxide (separating agent).

	per tablet	per daily dose (=2 tablets)	% of the recommended daily dose according to NRV*	per 100 g tablets
Vitamin C	1,000 mg	2,000 mg	2500 %	66 g

*NRV = Nutrient reference value for the daily intake according to VO (EU) No. 1169/2011

Recommended use:

Swallow 1-2 tablets per day as required with sufficient liquid.

Keep out of direct sunlight. Store dry and not above 25°C.

Food supplements should not be used as a substitute for a varied and balanced diet and do not replace a healthy lifestyle. Keep out of the reach of small children. The recommended daily dose should not be exceeded.

Contents 180 tablets = 271 g

Art. No. 9340
